September, 2017

Dear Parents and Guardians:

Each year the school plans a trip for our Grade 8 students which is both a meaningful educational experience and an opportunity for the students to socialize and enjoy themselves as they come to the close of their middle school years. This year's trip is scheduled for June 13th, 14th and 15th. In previous years, we had a very successful trip to Pennsylvania and the students and faculty all agreed that it was a wonderful experience. This year we have put together a similar trip, however, we will be visiting Washington, D.C and concluding with a day at Hershey Park. While in D.C. We will participate in a walking tour of the historical museums, visit Arlington National Cemetery, and enjoy an "illuminated" night tour of the monuments. The trip will conclude on the 3rd day at Hershey Park.

The travel agent has asked for a count of students planning to go and therefore we are requesting that students bring in an initial deposit to reserve a seat on the bus. The cost of the trip is \$485.00 per student. This includes all transportation, accommodations, admission fees, two breakfasts and two dinners. Students will be able to apply funds earned from the last two years' magazine sales, as well as funds from this year's sale, toward the trip. Should the cost of the entire trip present a problem, please contact our building principal, Mr. Fabbo, at 201-816-4905. We must, at this time, request a **\$285** deposit from each student planning to attend the trip. Please sign the bottom of this sheet and return it to his/her homeroom teacher with the **\$285 deposit** in a sealed envelope with your child's name and homeroom on it no later than **Friday, October 20th. All checks must be made out to the "TMS S.O."** All students who are **planning on attending should sign up at this time. Availability will be limited closer to the trip date.** Further information will follow as we approach the trip dates.

Thank you very much for your outstanding cooperation in all of our endeavors.

Sincerely,

John Fabbo
Principal
