Dear Parent/Guardian,

Tenafly Middle School promotes the use of bicycles as an alternate means of transportation, supporting a healthy lifestyle and the reduction in our carbon footprint. Please complete the permission slip provided below **only if** your child would like to ride a bicycle to school. Once on school grounds, students must walk their bicycle to the bicycle rack and secure it with a quality lock and chain. Bicycle racks are located on both the East and West sides of the building near the gym and the auditorium. All bicycle and skateboard riders must wear helmets. To avoid collisions with others, all bicycle /skateboard riders **must walk with their bicycle/skateboard on the sidewalk** upon arrival and dismissal from school.

Students are required by law to wear an approved helmet when cycling, roller-skating, in line skating or skate boarding. Skateboards may be left in the main office. The Tenafly district is not responsible and assumes no liability for theft, damaged, or loss of any bicycle/skateboard equipment or gear.
