

**A Community of Caring and Excellence**  
*"Take Care of Yourself, Take Care of Each Other, Take Care of This Place"*

Summer 2016

Dear Parents and Students,

The Tenafly Middle School Integrated Arts Team would like to take this opportunity to welcome you to TMS! Our specialty team instructs high-quality programs that contribute to the physical, intellectual, and emotional well-being of our students. The TMS Integrated Arts Team believes in developing the whole child through interactive and interdisciplinary learning activities.

In Tenafly Middle School, students enrich their lives, discover their passions, and develop life-long learning in Integrated Arts classes. Students expand their communication, thinking, group collaboration, and leadership skills. We look forward to working with students in developing their individual abilities and talents.

Below you will find the Integrated Arts Team teachers listed with their email addresses. Please refer to our TMS website for the list of student supplies required for all Integrated Arts courses. Students should bring general class supplies to their Integrated Arts classes each day. (i.e. pencils, pens, paper, TMS planner, etc.) Additional information regarding individual courses will be presented to students early in the school year and reviewed with parents at Back to School Night. Please visit teachers' webpages for additional information.

During the school year, please communicate with the TMS Integrated Arts teachers via email. Integrated Arts teachers may be requested at a grade level team parent conference when desired. Please contact us with any questions or concerns.

**The TMS Integrated Arts Team**

<b>Name</b>	<b>Subject Area</b>	<b>e-mail address</b>
