Medical Excuse

All parent/guardian excuses should be sent using Google form. [Click here PE excuse form](#)

Google forms enable the nurse and teachers to be notified simultaneously. Excuse notes carry over to recess, and school sponsored physical activities before and after school. *When any physical activity excuse extends more than three consecutive days, a doctor's note is required.

Doctor's notes must be handed in directly to the nurse during homeroom. Students will receive a blue note from nurse that must be handed to PE teacher. An alternate assignment will be given to students on medical. Students who are on crutches will be assigned to library.

If a student is able to participate on a limited basis, it must be explained in writing. The teacher will modify physical activity, if appropriate.

Please make an effort to utilize Google form. All written/paper notes must include:

- the date
- student's name and reason for the excuse from physical activity
- a parent/guardian signature
- Paper excuse notes must be handed to a student's Physical Education teacher at the beginning of the class period.
