### Memo

**Re:** In-School Announcements for STUDENTS

**From:** Mrs. Daryl George

**Date:** October 21, 2016

New this year, to help STAY CONNECTED and improve communication with our **students** we are sending out daily announcements via their Tenafly school email address.

School wide announcements regarding TMS sports teams, club interest meetings, leadership opportunities, celebrations, special events, spirit days, and changes to daily schedule, are included in these emails. Students are encouraged to check their school email before or after school each day. Daily emails are typically sent prior to the opening of school each morning. It is not always possible to announce information in home rooms when there is a change to schedule or a featured video announcement.

**Students** checking their school email each day is a good way for your child to stay informed about events at TMS, especially if they miss a homeroom period.

As an added convenience a Remind101 account has been set up. All students (and parents) are welcome to join. The Tenafly Middle School Remind account enables reminder notifications/text messages to be sent right to a phone.

Please discuss this communication tool with your child and use the information below if you choose to sign up. Student's need to have parents' permission to use the services of Remind. When a student signs up, parent's will be notified via an email through the Remind website.
