

TMS MOBILE DIRECTORY 2016-2017: DIRECTORY REGISTRATION

The 2016-2017 TMS mobile school directory has been compiled. To access this mobile directory, new families or existing family who had not registered for the 2015-2016 directory needs to complete a simple, three-step, 'Registration' process:

Current TMS Families registered for the 2015-2016 will have continued access to the directory; please update your profile if necessary from your account.

Video tutorials on directory registration and usage are available at https://bit.ly/1DHkHrQ

Step 1. Go to the directory login page https://tms.mobilearq.com/

Parents: Click the 'PARENT REGISTRATION' button

Step 2. Enter your email ID and Name. For code, please enter 'tms'. Provide consent to be in the directory.

Step 3. Click the 'REGISTER' button.

Following successful registration, you will receive an email with an auto-login link to access the directory. Please generate a new password before the auto-login link (temporary password) **EXPIRES IN 24 HRS** after it is sent to you.

Helpful Hints:

- To ensure that your email server does not filter the email from TMS HSA/MobileArq to a spam folder, please add support@mobilearq.com to the address book of your email server.
- For a rapid, 'one touch' access to the Mobile Directory from your mobile device, the directory can also be 'downloaded' from:

iTunes Store, https://itunes.apple.com/us/app/mobilearq-school-directory/id868001109?mt=8
Google Play https://play.google.com/store/apps/details?id=hr.apps.n165182686&hl=en
